Restoration Guaranty Policy On Fixed And Removable Prosthesis.

If the restoration fails for whatever reason within 2.5 years of delivering to patient and patient has been keeping all recall and follow-up appointments there will be no doctor's fees for remaking the prosthesis; the patient will only be charged any lab fees involved.

If the restoration fails for whatever reason within 2.5 years of delivering to patient and patient has not been keeping all recall and follow-up appointments, the patient will be charged 50% of the doctor's fees and any lab fees for remaking the prosthesis.

If the restoration fails after 2.5 years of delivering to the patient, then the patient will be responsible for doctors as well as lab fees for making another prosthesis.

I have read and understood the above policy.
